BEDOCS, L. Lighting materials and components. (13)		HOLMES, J. G. IES Code 1977. A critical look	106
Materials and components for suspended ceilings	264		
BELL, J. A. M. Lighting Britain's architectural heritage	188	JORDAN, E. M. High mast lighting	150, 227
BLEASBY, P. Relighting of Lichfield and Coventry			
Cathedrals	96	KERR, D. H. Why dimmer control for energy saving?	121
BOYCE, P. R. Air-handling luminaires	234	LUMSDEN, W. K. IES Code 1977. A lighting engineer's view	108
BRIDGERS, D. J. Lighting materials and components. (9)			
Materials for optical control—refraction and transmission	84	MATHEWS, D. B. Maintenance for commercial and industrial lighting	124
BRIDGERS, D. J. Lighting materials and components. (10)		MILLER, P. Cathedral of St. John the Baptist, Norwich	48
Materials for optical control—reflection and absorption	134		
		PASCO, I. K. Optical design of a cycle lamp to meet the British Standard	132
CHAPMAN, D. F. Phase and neutral failure in lighting circuits	262	PASSMORE, T. Lighting materials and components. (8)	
CONNELLY, J. V. Lighting materials and components. (11)	178	Control gear—ballasts	33
Emergency lighting components		PHILLIPS, D. R. H. A professional approach to home lighting	57
CONNELLY, J. V. Lighting materials and components. (12)		PRICE, W. A. IES Code 1977. The intent	104
Fluorescent interior lighting for vehicles	218		
		RODD, P. Hanover Fair 1977	176
EVANS, O. Worldwide progress on emergency lighting standards	157	STAHLHUT, L. G. Effective task lighting with second generation prismatic panels	34
HODGES, B. A. The way forward—the CIBS and the future	243	WOOD-ROBINSON, M. Central Church, Torquay	50
HODGKISS, D. Lighting materials and components. (8)			
Control gear—ballasts	33		

Subject index

	page		page
Advertising lighting	2	Central Church, Torquay	50
Air-handling luminaires	234	Chichester Cathedral, treasury at	195
Equipment survey	247	Chiswick, Barley Mow Workspace	199
APPLE conference	220, 257	CIBS, IES amalgamation with	1, 45, 94, 141, 186, 232, 242, 243
APPLE exhibition	220, 260	CIE Japan 1979	147
Appraisal of Halifax Building Society	20	CIE publications	41, 91, 139, 272
A professional approach to home lighting	57	City & Guilds examination results	22
Architectural heritage, lighting Britain's	188	Color 77—the AIC conference at Troy	238
Arnolfini Gallery, Bristol	191	Colour Group	204
		Colour in art, design, science and industry—bridging the gap	168
Barclays Bank International, Poole	17	Column manufacturers associate	137
Barley Mow Workspace, Chiswick	199	Computers in practice for building services	23
Bedford, EEB district offices	15, 89	Conference Centre, Wembley	111
Blackburn Central Library	190	Conference reports	168, 202, 238, 257
Blackburn, Leamington Road Baptist Church	196	Control gear—ballasts	33
Book reviews		Controlling costs with lighting controls	118
Bentham revised	90	Controlling lighting costs in industry and commerce	116
Floodlighting for sport	184	Correspondence course on lighting technology	18
Interior lighting for Americans	90	Correspondence, <i>see</i> Reader's letters	
Lighting a motorway in Toronto	271	Coventry and Lichfield Cathedrals, relighting of	96
Lighting for French parks and gardens	228	Cycle lamp to meet the British Standard, optical design of a	132
Lighting loads approximated	228	Cylindrical illuminance meter	181
Road lantern light output depreciation	271		
Swiss swimming baths	184		
Yellow headlamps—the last word?	139	Decor International	131, 222
Brightshow, London	83	Design Council awards	136, 224
Bristol, Arnolfini Gallery	191	Dimmer control for energy saving	121
Bristol, St. Nicholas Church Museum	192		
British Standards	4, 41, 91, 228, 272	Edgar Wood Centre, Victoria Park, Manchester	193
Building Services Engineering Society	147, 208	Edinburgh Scottish Widows Assurance Society offices	10
		EEB district offices, Bedford	15, 89
Catalogues and leaflets	41, 91, 140, 229, 272	Effective task lighting with second generation prismatic panels	34
Cathedral of St. John the Baptist, Norwich	48	Emergency lighting	157, 227, 270
CEGB divisional offices, Gloucester	12	Emergency lighting components	178
Ceillight	127, 171, 173	Energy implications of comfort	169

Index for 1976 (continued)

	page		page
Energy management in lighting awards	116 186	Manchester, Edgar Wood Centre	193
Equipment surveys		Manchester, Royal Exchange Theatre	200
Air-handling luminaires	247	Materials and components for suspended ceilings	264
Emergency lighting	161, 227	Materials for optical control	
High mast lighting	153, 227	reflection and absorption	134
Spotlights	25, 73	refraction and transmission	84
ERB registration	22, 55, 103, 149, 242	Natural History Museum developments	144
Exhibition previews		New museum and art gallery, Harrow School	197
APLE	220	New products	37, 86, 137, 180, 224, 267
Ceilight	127	Norwich, Cathedral of St. John the Baptist	48
Decor International	131	Notes and news	1, 43, 93, 141, 185, 231
Exhibition reports			
APLE	260	Obituaries	18, 241
Brightshow, London	82	Office lighting	6
Ceilight	173	On the move and in the news	88, 138, 226, 268
Decor International	222	Optical design of a cycle lamp to meet the British Standard	132
Hanover Fair	176		
IFSSEC	173	People in the news	37, 86, 137, 182, 226, 270
Salon International du Luminaire, Paris	81	Phase and neutral failure in lighting circuits	262
		Philips lighting demonstration centre	3
Flats at Fort Picklecombe, Cornwall	201	Poole, Barclays Bank International	17
Fluorescent interior lighting for vehicles	218	Post Office engineers ask for daylight	3
Four conferences	168	Prismatic panels, second generation, effective task lighting with	34
		Product news	37, 86, 137, 180, 224, 266
Gloucester, CEEB divisional offices	12	Profession	18, 52, 101, 146, 202, 238
		Professional approach to home lighting	57
Halifax Building Society offices, lighting appraisal of	20	Publications	41, 90, 139, 184, 228, 271
Hanover Fair 1977	176	Public lighting awards	233
Harrow School, new museum and art gallery	197		
High mast lighting	150, 227	Queen's Silver Jubilee Medal for three	142
Holography, light as art and science	95		
Home lighting, a professional approach to	57	Readers' letters	
		IES/CIBS amalgamation	21
IES		IES Code 1977	109
additions to membership	22, 55, 103, 149, 208, 242	Lamp colours for health service use	21
amalgamation with CIBS	1, 45, 94, 141, 186, 232, 243	Less lethal lighting columns	21
annual general meeting	146	Road lighting	53
awards	19, 239	Safety on the road at night	53
Code 1977	2, 45, 93, 104, 142, 147	Relighting of Lichfield and Coventry Cathedrals	96
meeting reports	19, 22, 52, 101, 146, 208, 238	Road lighting, measures of effectiveness	202
officers, 1977-78	203	Royal Exchange Theatre, Manchester	200
IFSSEC conference and exhibition	170, 173		
Industry	36, 86, 136, 180, 222, 266	St. Nicholas Church Museum, Bristol	193
Industry and commerce, controlling lighting costs in	116	Salon International du Luminaire, Paris	81
Installations	5, 47, 143, 187, 233	Scottish Widows Assurance Society offices, Edinburgh	10
		Second generation prismatic panels, effective task lighting with	34
Lamps and luminaires, trends in	6	Sign Manufacturers Association	4
Leamington Road Baptist Church, Blackburn	196	Southport Arts Centre	194
Legislation on lighting	185, 232	Souvenirs of the IES	232
Letters, see Reader's letters		Spotlights: equipment survey	25, 73
Lichfield and Coventry Cathedrals, relighting of	96	Standardized method of presentation of data on performance	
Light and Lighting	231	of air-handling luminaires	246
Lighting Britain's architectural heritage	188	Street lighting museum	94
Lighting courses 1977-78	148		
Lighting materials and components		The industry	36, 86, 136, 180, 222, 266
(8) Control gear—ballasts	33	The multiple criterion design method for electric lighting	
(9) Materials for optical control—refraction and transmission	84	installations	167
(10) Materials for optical control—reflection and absorption	134	The profession	18, 52, 101, 146, 202, 238
(11) Emergency lighting components	178	The way forward—the CIBS and the future	243
(12) Fluorescent interior lighting for vehicles	218	Third Lux Europa	210
(13) Materials and components for suspended ceilings	264	Torquay, Central Church	50
Lighting Research & Technology	41, 228	Town beam	6
LILAC	2	Trade literature	41, 91, 140, 229, 272
London Accident Prevention Council	45	Treasury at Chichester Cathedral	195
Londonderry Guildhall	198	Trends in lamps and luminaires	6
Luminaires and lamps, trends in	6	Tubular fluorescent lamps for metric modules	217
Lux Europa	5, 210		
		Wembley Conference Centre	111
Maintenance for commercial and industrial lighting	124	Why dimmer control for energy saving?	121
		Worldwide progress on emergency lighting standards	157
